# International Association for the Philosophy of Time General Programme

## Monday, June 24

8.00 - 10.00	Registration & welcome drinks and snacks	
10.00 - 10.15	Introduction	Room A1.05
10.15 - 11.15	<b>Susanna Schellenberg</b> (Rutgers) The Nature of Spatiotemporal Perspectives	Chair: Cristian Mariani Room A1.05
11.20 - 12.20	<b>Siddhant Das</b> (Munich) Quantum arrival-time problem and Bohmian trajectories	Chair: Heather Demarest Room A1.05
	<b>Vincent Grandjean</b> (Zurich) Diachronic Indeterminacy	Chair: Federico Viglione Room A1.03
	<b>Giacomo Andreoletti</b> (Salzburg) Acting in the Garden of Forking Paths	Chair: Florian Fischer Room A1.04
12.20 - 14.00	Lunch break	
14.00 - 15.00	<b>Oliver Pooley</b> (Oxford) Nomic presentism, relativity, and rates of change	Chair: Adrian Bardon Room A1.05
15.05 - 16.05	<b>Alessandro Giordani</b> (Cattolica Milano) Navigating Time's Arrow: Presentism and the Dynamic Block Theory of Time	Chair: Cristian Lopez Room A1.05
	<b>Rachel Russell</b> (UC Dublin) The Deflationist's Error	Chair: Raul Saucedo Room A1.03
	<b>Christabel Cane</b> (UC London) The Problems of Temporary Intrinsic	Chair: Tommaso Soriani Room A1.04
16.05 - 16.20	Coffee break	
16.20 - 17.20	<b>Kevin Coffey</b> (NYU Abu Dhabi) Is Temporal Structure Curved in Newtonian Gravitation Theory?	Chair: Alison Fernandes Room A1.05
	<b>Natalja Deng</b> (Yonsei) An Experience-Based Interpretation of the A versus B Distinction	Chair: Ulrich Meyer Room A1.03
	<b>Carlo Rossi Fernandez</b> (Santiago) Processes, Particularity, and the Dynamic Nature of Reality	Chair: Giacomo Andreoletti Room A1.04
17.25 - 18.25	<b>Cristian Lopez</b> (Lausanne) Relational Primitivism about the Direction of Time	Chair: Margherita Moro Room A1.05
	<b>Gerardo Viera</b> (Sheffield) Perception and the Naïve Conception of Time	Chair: Natalja Deng Room A1.03
	<b>Martin Lipman</b> (Leiden) Standpoint Pluralism and the Problem of Tensed Token Truths	Chair: Antony Eagle Room A1.04

## Tuesday, June 25

9.00 - 12.20	<b>Symposium I Temporal existence</b> <b>Kit Fine</b> (NYU) Three dimensionalism and special relativity	Chair: Damiano Costa Room A1.05
break 10.00	<b>Fabrice Correia</b> (Geneva) Persistence by Proxy	
	<b>Thomas Sattig</b> (Tübingen) Passage in a System of Relativization	
12.20 - 14.00	Lunch break	
14.00 - 15.00	<b>Laurie Paul</b> (Yale) Primitive persistence	Chair: Marta Pedroni Room A1.05
15.00 - 15.15	Coffee break	
15.15 - 16.15	<b>Patrick Dawson</b> (UC Dublin) A-Theorists Should Take Passage to be Fundamentally Directionless	Chair: Emanuele Tullio Room A1.05
	<b>Wen Yu</b> (Sydney) Temporal Biases as Person Biases	Chair: Brittany Gentry Room A1.03
	<b>Marco Forgiione</b> (Milan) Causal Set Theory and Growing Block? Not Quite	Chair: Marco Marabello Room A1.04
16.20 - 17.20	<b>Lisa Leininger</b> (Hobart & William Smith) What Should Become of Absolute Becoming? The Future of the Dynamic Nature of Time	Chair: Enrico Cinti Room A1.05
	<b>Andrea Iacona</b> (Turin) & <b>Samuele Iaquinto</b> (Eastern Piedmont) Quantitative Supervenience	Chair: Claudio Calosi Room A1.03
	<b>Heather Demarest</b> (Colorado, Boulder) Time-Asymmetric Law of Increasing Complexity	Chair: Kevin Coffey Room A1.04

## Wednesday, June 26

9.00 - 10.00	<b>Kristie Miller</b> (Sydney) Exploring People's Normative Judgements About Future Bias and The Temporal Value Asymmetry	Chair: David Ingram Room A1.05
10.00 - 10.15	Coffee break	
10.15 - 11.15	<b>Marta Bielinska</b> (Oxford) Branching Time and Real Chance	Chair: Damiano Costa Room A1.05
	<b>Nihel Jhou</b> (National Taiwan) Is a Time Machine an Amnesia (and Person-Splitting) Machine?	Chair: Brittany Gentry Room A1.03
	<b>Bahadir Eker</b> (Tübingen) Situations, Change, Indeterminacy	Chair: Vincent Grandjean Room A1.04
11.20 - 12.20	<b>Adrian Bardon</b> (Wake Forest) Transcendental Arguments in Philosophy of Time	Chair: Gerardo Viera Room A1.05
	<b>Alison Fernandes</b> (Trinity College Dublin) Two Projects on the Direction of Time	Chair: Lisa Leininger Room A1.03
	<b>Claudio Calosi</b> (Geneva / Venice) Presence and Delegation	Chair: Giuliano Torrengo Room A1.04
	Free afternoon	
19.00-20.30	Boat trip	

## Thursday, June 27

9.00 - 12.20	<b>Symposium II Time and quantum physics</b> <b>Craig Callender</b> (UC San Diego) Imaginary Numbers and Time Reversal	Chair: Cristian Mariani Room A1.05
break 10.00	<b>Daniel Sudarsky</b> (UNAM) The relevance of conceptual problems afflicting quantum theory, to cosmology and black hole physics	
	<b>Tim Maudlin</b> (NYU) Fundamental dynamics for quantum theory: why complex numbers	
12.20 - 14.00	Lunch break	
14.00 - 15.00	<b>Nina Emery</b> (Mount Holyoke College) Metaphysical Arguments from Temporal Experience	Chair: Giuliano Torrengo Room A1.05
15.00 - 15.15	Coffee break	
15.15 - 16.15	<b>Brigitte Everett</b> (Sydney) Passage Illusionism's Intelligibility Problem and Deflationism	Chair: Jack Shardlow Room A1.05
	<b>Brittany Gentry</b> (Utah State) Newtonian Time from Timeless Dynamics	Chair: James Norton Room A1.03
	<b>Athamos Stradis</b> (King's College, London) Present Records of the Past Hypothesis	Chair: Paul McKarris Room A1.04
16.20 - 17.20	<b>Antony Eagle</b> (Adelaide) Against Advanced Temporalising	Chair: Florian Fischer Room A1.05
	<b>Raul Saucedo</b> (Colorado, Boulder) The Elamite Picture of Reality	Chair: Francisca Silva Room A1.03
	<b>Ulrich Meyer</b> (Colgate) Velocity and Necessity	Chair: Carlo Rossi Fernandez Room A1.04

## Friday, June 28

9.00 - 10.00	<b>Christian Wüthrich</b> (Geneva) Quantum gravity between becoming and eternalism	Chair: Silvia De Bianchi Room A1.05
10.00 - 10.15	Coffee break	
10.15 - 11.15	<b>Maria Nørgaard</b> (Geneva) A Novel Approach to Quantum Persistence	Chair: Athamos Stradis Room A1.05
	<b>Emanuele Tullio</b> (Central European) The Disclosing Window	Chair: Christabel Cane Room A1.03
	<b>Nicholas Rimell</b> (CU Hong Kong) A Pairing Problem for Minimal A-Theorists (and Beyond)	Chair: Martin Lipman Room A1.04
11.20 - 12.20	<b>Emily Thomas</b> (Durham) Victorian Concepts of Time... and Sexism	Chair: Claudio Calosi Room A1.05
12.20 - 14.00	Lunch break	
14.00 - 15.00	<b>Board Meeting</b>	Room A1.05
15.00 - 15.15	Coffee break	
15.15 - 16.15	<b>Francisca Silva</b> (St. Andrews) Truth Must Presently Be Grounded	Chair: Patrick Dawson Room A1.05
	<b>Jack Shardlow</b> (Edinburgh) Motion(less) Pictures and Temporal Appearances	Chair: Rachel Russell Room A1.03
	<b>Shira Yechimovitz</b> (Tel Aviv & Sydney) The Problem of Direction in Dynamic Theories: What's the Difference Between Beginning and Ceasing to Exist?	Chair: Luca Gasparinetti Room A1.04
16.20 - 17.20	<b>Jenann Ismael</b> (Johns Hopkins) "The Block Universe" is nonsense	Chair: Damiano Costa Room A1.05
